KLN Junior College
CGPA: 9.21

SSC   **2017 - 2018**
ST John's High School
CGPA: 8.5

SKILLS

Programming Languages	C++, Python, Java, SQL
Frontend Technologies	HTML, CSS, JavaScript, React.JS
Databases	MySQL
Version Control	Git/Github
Soft Skills	Problem-solving, Communication skills

PROJECTS

Portfolio   Live Demo

- Developed a responsive and interactive portfolio website showcasing personal projects, skills, and certifications.
- Designed and built the website using **HTML, CSS and JavaScript** for a visually appealing and user-friendly experience.
- Optimized for performance and accessibility, ensuring fast loading times and a seamless user experience across devices.
- Ensured cross-browser compatibility and mobile responsiveness using media queries.
- The website was deployed online using Netlify for easy access and professional presentation.

E-commerce Website   Live Demo

- Developed a fully responsive e-commerce website built using **React.js**, designed to offer a smooth and interactive shopping experience.
- It incorporates React Router DOM for navigation and React Hooks for efficient state management.
- Designed and structured the **user interface** using CSS for a responsive and visually appealing layout.
- Ensured a mobile-friendly design, providing a smooth experience across different screen sizes.

CERTIFICATIONS

- Completed Python Programming - Udemy
- Completed Web Development - Internshala
